**LETTER OF APPRECIATION FOR RECENT FACILITY SECURITY PLAN SERVICES**

Gentlemen:

On behalf of American Bridge / Fluor Enterprises, Inc., Joint Venture (ABFJV), we wish to take this opportunity to express our appreciation to ABC Security Service, Inc. (ABC) for the security services provided during the recent successful performance with our first Facility Security Plan (FSP) implementation at Pier 7.

Re-affirming the success was the outcome of the un-announced security spot check performed by the United States Coast Guard wherein they found NO DEFICIENCIES to the implementation. This is a credit to all involved inclusive of the personnel from ABC who provided the access control at our check point.

As we have approximately nine more implementations of our FSP when the vessels arrive at Pier 7 carrying steel components for the Bridge, we look forward to the same success achieved on this first effort.

Again thanks for the efforts of ABC.

Sincerely,

**AMERICAN BRIDGE/FLUOR ENTERPRISES, INC. A JOINT VENTURE**
